Hello,

Thank you for the inspection package that you recently sent to NCIE for “Perfect Blend LLC” AKA “Johnson Organic” in Othello, WA. This facility has been granted approval number WA-MAN-0001 as being compliant with EC Reg 1774/2002 as currently amended. Please note that this approval is for: Chicken manure based fertilizer.

When you notify the facility management of their approval end their number, please advise them in order to maintain this approval, they must complete the entire approval process at least every 385 days to retain this approval.

Please review the Information on the IDEA system regarding this approval and faculty, and send an email to exportsproducts@aphis.usda.gov If any Information is inaccurate.

Thank you,
